

SLIDING SCALE

WHAT IS SLIDING SCALE?

As a service to our patients we offer a sliding scale discount program based on family size and income.

- ▶ Everyone is eligible to apply for sliding scale, regardless of insurance status.
- ▶ Sliding scale applies to more than just actual office visits; it applies to items such as dentures, glasses, etc.
- ▶ Even if you have insurance, certain items and services (for example, dental) may not be covered under your insurance plan, but if you qualify for sliding scale, then you will be eligible for the sliding scale discounts on those items/services.

HOW DO I QUALIFY?

In order to qualify for sliding scale, you must present proof of income to registration personnel. Eligibility for discounts will be based solely on income and household/family size.

► The following forms of proof are accepted:

- Pay stubs
- Tax returns
- Social Security Letter
- Medicare/Medicaid letter stating income
- Letter from Food Stamp office, listing income
- Unemployment
- Sworn statement of support from individual, witnessed by MCHC employee, or otherwise notarized
- Other income (alimony, child support, etc.)

WHAT IS COVERED UNDER SLIDING SCALE?

- ▶ Medical visits including services such as, IV fluids, medications administered in office, lab and x-ray services.
- ▶ Dental including cleanings, x-rays, procedures, dentures and crowns.
- ▶ Behavioral Health
- ▶ Optometry including Glasses
- ▶ Medications at affiliated MCHC pharmacies.

WHAT DOES MCHC OFFER?

MCHC offers a vast selection of services in addition to the Sliding Scale Program. Call or come in to any MCHC clinic to discuss the services we have to offer. As patients of MCHC you will have access to the following:

- ▶ 340B-Medication discount service available at any MCHC affiliated pharmacy.
- ▶ Laboratory services
- ▶ X-ray services
- ▶ Prenatal Childbirth Classes
- ▶ Smoking Cessation Classes
- ▶ MCHC also offers services such as Family Practice, Internal Medicine, Pediatrics, OB/GYN, Family Planning, Behavioral Health, Pulmonology, Black Lung evaluations and treatment, Pulmonary Rehabilitation, Chiropractic, Podiatry, Diabetes Education, Nutritional Health Services/Dietician, Telehealth Services, Optometry and Family Dentistry.
